SUPERVISOR ALEXANDER TO HOLD PUBLIC LISTENING SESSION

County Executive Chris Abele to co-host event with Supervisor Alexander

Milwaukee, WI – Milwaukee County Supervisor Deanna Alexander will hold her listening session ahead of the first full Board meeting of the 2012-2016 term next week. The County Board meeting is on Thursday, May 24 at 9:30 a.m.

“As a new Supervisor, I think it is important for my constituents to know that they do not need to express a unique problem in order to get face time with me,” said Supervisor Alexander. “This is an open opportunity for the residents of the 18th district to express their concerns and opinions before next week’s Board meeting.”

Supervisor Alexander represents the 18th District, which includes the far northwest corner of the city of Milwaukee and Milwaukee County. Constituents are invited to two sets of open office hours next week. Separate meetings are also available by appointment and can be arranged by calling her office at 278-4234.
